

THE PROFESSIONAL QUALIFICATION THAT IS SPECIFIC TO THE FOOD SERVICE INDUSTRY

CFSP is the industry specific professional qualification for the foodservice industry. This is a CPD certified training programme, delivered in partnership with CESA, relevant to all personnel within your business.

KEY PURPOSE:

- » Help train and develop staff
- » Raise industry recognition and respect
- » Help you to carry out your job more effectively
- » Increase confidence with customers
- » Provide personal satisfaction and achievement

THE PROGRAMME INCLUDES:

- » A study guide which you cover at your own pace
- » A one day seminar
- » A comprehensive written exam
- » A self completed evaluation of experience

**INCREASING YOUR KNOWLEDGE.
IMPROVING YOUR EFFECTIVENESS.
ADDING VALUE FOR YOU AND YOUR CUSTOMERS.
MAKING THE MOST OF YOUR VALUABLE TIME.**

The programme content and benefits are relevant to manufacturers, consultants, distributors and operators.

CFSP is an internationally recognised and promoted course that is delivered locally with content relevant to the national market.

To successfully achieve the CFSP designation and the benefits that accrue, candidates must also complete an evaluation of experience which covers industry experience and activity within the market. This accrues points to become silver gold or platinum status and accreditees can develop their profile with CFSP throughout their career.

MANUFACTURERS • DISTRIBUTORS • OPERATORS • CONSULTANTS

BOOKING FORM:

Your payment covers the programme, evaluation of experience and regular updates and information in recognition of your status as a CFSP, Certified Food Service Professional.

COST: IFSA members €625 (GBP £580) non IFSA members €905 (GBP £840).
